

State of the School Annual Address

Martha N. Hill, Dean

September 18, 2006

Overview

- Recognizing the year of accomplishments
- Breaking News and Happenings at Hopkins
- Priorities of the Dean
- Q&A Session
- Cupcakes!!!

Current State

- SON—Healthy and Thriving
- Positively exceeded budget expectations for second year in a row
- Development met and surpassed its \$40M goal for the University's Knowledge for the World Campaign
- Grant awards are up 50% from budget expectations
- Maturing towards 25th anniversary
- Extending the Strategic Plan to 2009

Strategic Plan Extended to 2009

Our accomplishments in the following strategic areas have encouraged us to continue our work on these goals through our 25th anniversary year.

- EXCELLENCE in research, teaching, and practice
- Cultivating an environment embodying our School VALUES
- Positioning the School as a GLOBAL leader
- Achieving planned GROWTH

Welcome All Students

- 729 Students admitted this year
- More than 2/3 of the students earning second degrees to enter nursing
- What's special about the Hopkins Nurse?—EXCELLENCE (when asked, this was the consensus from Class of 2008)
- 37 more graduate students than last year

Welcome New Faculty and Staff

- Nancy Glass, PhD, RN
- Maureen George, PhD, RN, AE-C
- Christopher R. Boyle, Admissions Officer
- Katherine Cruit, Student Services Officer
- Angelica Evans, Special Events Assistant
- Susan Bullock, Administrative Assistant

Goal 1: Excellence

- DNP II Task Force formed with the BSPH to design a collaborative DNP/DrPH
- Office of Faculty Development—new focus on teaching technologies

Goal 1: More Excellence

SON Implementation Team

- Gearing up for another accreditation
- Continuing the work completed by Faculty Senate Task Force
- Welcome faculty and staff contributions
- Three section model to increase
 - Communication
 - Involvement of faculty and staff in decision making
 - Development of faculty and staff

Goal 2: Values

- Helping to expand the education opportunities of five Lebanese nursing graduate students from AUB now stranded in Baltimore
- Welcomed five Chinese students enrolled in the first nursing doctoral program in China at JHUSON/PUMC

Goal 2: More Values

- One-Year mark of the SON Essentials
- New Staff Compensation System
- Faculty/Staff Retreat on hold

Goal 3: Global

- IJHN reaccredited for 4 more years
- Office of Global Nursing partners with the new JHU Center for Global Health
- Gugu Mchunu, a doctoral student and Ford Foundation Fellow from the University of KwaZulu-Natal, completed a six-month program of study with us on workplace health promotion ??

Goal 3: More Global

Formal Academic Collaborations:

- Peking Union Medical College SON, China
- American University of Beirut SON, Lebanon
- University of Maribor College of Nursing Studies, Slovenia
- University of Kwazulu-Natal SON, South Africa
- Flinders University (SON and Midwifery), South Australia

Goal 3: More Global

Formal Academic Collaborations Con't:

- Yonsei University SON, South Korea
- University of Basel Institute of Nursing Science, Switzerland
- Göteborg University Institute of Health and Care Sciences, Sweden
- Chiang Mai University Faculty of Nursing, Thailand
- Koç University SON, Turkey

Goal 3: More Global

Informal Academic Collaborations:

- American University of Armenia, Armenia
- St. George's University, Caribbean
- University of Bologna, Italy
- Kyung Hee University, Korea
- University Capetown, MRC Capetown, South Africa
- Loma Linda University, USA

Goal 4: Growth

- Searches for Stulman and Nutting Chairs
- More than \$15 M in commitments for new building
- Planning for the 25th Anniversary
- HopkinsOne

My Commitment

- Attract people and resources to the school
- Build strong administrative and academic leadership teams
- Increase and develop the faculty's scholarly productivity and teaching excellence
- Achieve and sustain a solid financial base
- Enhance the Physical Environment

Priorities of the Dean

- Fundraising for the new building
- Continue to attract and retain the very best faculty and students
- Gather and manage resources for continued support of the faculty, staff, and students
- Organization of faculty into 3 sections
- SON Implementation Team
- International/global presence and outreach?

Q&A Session
